Public Comments:

Tom Vick: What methods will Wade Trim use to demine the cause of the water loss? If there is no particular loss each quarter, it should be done in the winter when the least amount of people are here.

Kathy Wroblewski: Why is there no sign at the Township police office?

Jack Muscat: The proposed new Township hall will have a place for the police to be available to residents. The Township is continually growing so the building was planned to accommodate 30 years of growth.
