Tom Vick: Questioned how residents will be informed of recycling collection. He served on the committee to investigate recycling opportunities and the biggest drawback was costs and collection for seasonal residents.

Joe Bulatow: Diva Disposal is out of business.

Adam Duke: Representing Midwest Sustainable Sungrowers Association, he asked to be placed on the November agenda to touch on a survey for citizens regarding compliance, law enforcement, property values, traffic, noise and other factors that have been brought up at previous meetings by concerned citizens. He also touched on the Medical Marijuana Licensing Act and the options local governments have regarding licensing of medical marijuana.

Jerry Wroblewski: Harbor closing in October 15, 2017. The Commission is looking for grants for necessary repairs.

Board Comments:

Jerry Platko: Preventative maintenance needs to be done at the Police office. The exterior of the building is a disgrace – shrubs need trimming and windows need to be painted.
