

NOTICE OF PROJECT PLANNING PUBLIC MEETING

The City of Caseville will hold a public meeting on the proposed Water System Improvements project for the purpose of receiving comments from interested persons. The meeting will be held at 2 p.m. on March 23, 2026 at Caseville City Hall at 6767 Main St. Caseville, MI. 48725.

The purpose of the proposed project is to implement water infrastructure and treatment improvements to mitigate seasonal water discoloration issues.

Project construction will involve modifications to the Water Treatment Plant intake and low service pump station, building addition at the plant, new clarification equipment, and improvements to the existing treatment equipment, chemical feed systems, piping, electrical, controls, and SCADA system.

Impacts of the proposed project include improved water quality and reliability of the water system. Short-term environmental impacts include minimal disturbance of the lakebed. The estimated cost to users for the proposed project will be discussed during the public hearing. Copies of the plan detailing the proposed project are available for inspection at the city hall 6767 Main St. Caseville.

Written comments received before the meeting record is closed on March 23, 2026 will receive responses in the final project planning document. Written comments should be sent to the City of Caseville, P.O. Box 1049 Caseville Mi. 48725.
