Public Comments:

Todd Talaski informed the Board that the County has hired a consultant for ARP funds, working on budgets, looking for a replacement for the Equalization director, and is conducting a hazardous waste collection.

Mike LePage: Representing the Road Commission is asking the Board to take part in an informational meeting regarding the bike path. Discussion included cost vs. benefits, speeding, golf cart issues, age demographics, grants, funding, lighting, maintenance and liability, and replacement costs. The Township is in favor of the meeting but feels that funding should be through a special assessment to properties on Sand Point. The meeting will be set up by the Road Commission.

Tom Vick: Questioned the width of the bike path, who will pay for the path, eminent domain and compensation to property owners along the south side of Crescent Beach Road.

Board Comments: None.

Meeting adjourned at 4:50 p.m.
